something very pretty in ladies is an illustration of human gloves this senson. There always is "something very pretty in ladies" Lynchburg News. The foundation of domestic hap-piness is faith in the virtue of wo-man; the foundation of political

happiness, temporal and eternal, is refiance on the goodness of Provi-dence. A girl in Ashland recently poste this notice on the "front gate" of her father's residence: "Don't call on me for three days. I'm going to eat some onious this week if I never have another beau."

Freekles may be removed by using a pint of sour milk and a small quantity of horse-radish. Let the mixture stand over pight, and use it as a wash three times a day until the freckles disappear. Four-year-old babies are to have a department in one of the buildings provided for the Centennial. How-

ever, we believe it is too late for am-bitious husbands to call the attention of equally ambitions wives to the fact. to firt, but the bible was her au-thority. It said "widow's mite," She was firting awfully at last ac-

counts. "Jane, what letter in the alphabet

on one occasion to visit Gen. Lee, a country gentlemen informed Colonel Kane, that he had just sent a fine sheep to Gen. Lee. This was good news to Col. Kane, who having been living a long time on basen was considerably refreshed by the pros-

death.

A Hannibal paper tells of a wonder in that town. The curiosity is in the animal kingdom, and is none other than the loaling of twin colts by a mare, one of which is a horse colt and the other a suite. Both are living and are line and healthy suited and several sheep by dogs put strychnine in large quantities upon one of the carcases, the other day, and the next day found thirty dead dogs in the field, the furthest one being less that the field, the furthest one being less that the field, the furthest one being less that the field, the furthest one being less to the manning very pretty in ladies.

When the dinner came on there was nothing but a piece of bacon and greens, corn bread and some milk. After awhile Col. Kane is coularly remarked to Gen. Lee that Mr. had told him that be had east him a servinger baby. Weat's the use of a civil rights hill?

"What can ever be a substitute, dead, and I sent is to the hospital."

Col. Kane after was disagningly exiter?" "Well, sis.," replied brother the piece of bacon on the table mart be the same old piece that he dined off when he was there before. Here a substitute, the field, the furthest one being less.

An enterprising young man of Columbia, Tenn., recently started out to make a fortune by padding a hair restorative of his own discovery, made of Mascaboy souff and rain water. He returned with plenty of mater. He returned with plenty of maney, but now, they say be receives avery day letters running somebow thus: 'Dear sir, I am almost tempted to believe you are a fraud. When I commenced using your Magic and Miraculous Hyperian Hair Restorative, six weeks ago, I had merely a bald spot on the top of my head, but now, I wish I may be hurled b—l-wards at the rate of pinety miles an hour if there is a solitary d—d hair

Mr. E. W. Ives took from his former house in Mount Carmet, near New Haven, his pet cat, and carried it with him to Norfolk, Conn., going from Mount Carmel to New Haven by the canal road, from New Haven to Hartford by the New York, New Moven and Hartford road, and from A widow being cautioned by her minister about firting said she knew road. The cat stayed at Norfolk it was wrong for maidens and wives one day, and then was missed by to firt, but the bible was her au-
